to these students for receiving an Active Learner award ....
For demonstrating Active Learning by being

**Reflective** by...

- **Remembering** I use clever ways to remember things that are important to my learning. I take notes, write checklists and reminders; I practise what I have learnt often..

- **Planning**- I plan steps that I might take when learning. I have a clear idea of what I want to get out of my time. I access resources that I need to be organised.

- **Revising**- I look over my learning to see how I can improve it next time. I am OK about changing my mind when I have had a better idea or things are not going right.

- **Meta-learning**- I think about how I can help myself become a better learner. I know my strengths and focus areas to become a better learner. I am interested in becoming a better learner.

- **Distilling**- I can draw out important features of what I have learnt. I can prioritise the things worth remembering. I take time to think about things deeply over time.

And to these students for receiving an Active Learner award ....
For demonstrating *Active Learning* by being **Resourceful** and using their brains in clever ways by

- **Questioning**- I ask questions that help me learn about things. I am not afraid of asking questions - Not knowing is OK.

- **Making Links**- I connect new ideas to things I think and know already.

- **Imagining**- I can picture/imagine how things might look, sound and feel. I think about situations and possibilities and imagine what might happen. I practice things in my mind before I do them.

- **Reasoning** – I can give reasons for how I get to answers.

- **Capitalising**- I have ways of finding out when I don’t know things. I use the strengths and expertise of others to help me. I make good use of things that help my learning. I will use many different sources to help me learn- other people, books, internet, research papers, etc.

**Murray Conservatorium Concert**

On Wednesday 3rd June the Murray Conservatorium came out to our school and performed and entertained the children for their music lesson. They introduced the students to the sounds and music made by the saxophone and drum.

It was quite an experience!

**Kids on Keyboard**

Our kids on keyboard children having fun learning new songs.
Athlete’s Foot

Athlete’s foot is generously donating $5 per pair of shoes sold to the school. All you have to do when you are next purchasing your shoes is to mention Brocklesby Public School. It doesn’t need to be someone who is going to our school it can be anyone they just need to mention Brocklesby Public School.

Brocklesby Bush Dash
10.5 & 5.5km run walk

It was a fresh morning on Sunday the 31 May but we were all prepared for our inaugural event and it went off with a ‘hoot’, with Councillor Denise Osbourne starting the race, as a gesture of thanks to the Greater Hume Shire for their support in setting up the event.

We had 118 registrations, with a mixture of ages and abilities. It was great to see families participating together and new and regular faces in the Brocklesby Community. Thanks to the Tennis Club for catering on the day.

On Behalf of the Fun Run Committee I would like to thank all those that participated, volunteered and barracked on the day. A big thankyou to Vicky, Deanne, Nicky and Damien for their efforts and support of getting the Brocklesby Bush Dash up and running….literally.

We’d love to get some of your feedback on the event so please feel free to drop us a line at brocklesbybushdash@gmail.com

With your support we might see it again next year.

Drop off and Pick up points

For pedestrian safety the following recommendations are being made for dropping off and picking up students from Brocklesby Public School.

These arrangements are intended to reduce the need for students to cross roads when being dropped off/picked up and reducing the need for u turns.
