to these students for receiving an Active Learner award ....

**Reciprocal** by demonstrating....

**Interdependence** I know when to learn alone and when to ask others for advice. I know how much interaction it takes to get the job done. I can see that there are some things that cannot be done with others – they are individual tasks.

**Collaboration** I know what it takes to learn as part of a team. I am aware of how I respond to other people and I manage my feelings when working with them. I respect other people’s point of view even when they differ from my own. I understand the rules of teamwork.

**Empathy and Listening** I pay attention to other people’s ideas, feelings and thoughts. I show that I am actively listening by my eye contact and my body language. I think about what it might feel like to be in another person’s shoes.

**Imitation** I watch other people and learn by copying them. I am willing to learn from others. I notice how they approach/learn things and imitate their actions. I can improve my physical skills and absorb ideas, strategies and thinking patterns by observing other people.

**Term 3 Sport/Yerong Creek**

To enhance the teaching and learning of the PDHPE syllabus (Games and Sports) all students 1-6 have the opportunity to combine with students from the Walbundrie Network of Schools to participate in three combined sports afternoons. The sports and games offered will be netball, football (mouth guards compulsory), soccer, tabloids and ball games.

Most students 8 yrs. and over are expected to participate in the netball and football activities during the sports days. This is a great opportunity for students 8 yrs. and over who wish to play in the Bernie O’Connor competition, to meet team members and have some practice before the carnival. Plus an opportunity to try something new, play in a team, have fun with children their own age and ability. The annual Bernie O’Connor Netball/Football Carnival will be held at Yerong Creek on 14th August.

It is an opportunity for all students all aged 5-7 yrs. and those older students not wanting to play netball or football to participate in a variety of games and sports; such as soccer, tabloid sports and ball games.

The sports afternoons will be held between 1:30pm and 2:30pm at:
- **Week 2 @ Walla Walla** 24th July
- **Week 3 @ Burrumbuttock** 31st July
- **Week 4 @ Walbundrie** 7th August

If any parents are available to help out on these afternoons and at the carnival with umpiring or managing a team, please let your school know ASAP.

TERM 3 FEES

DUE NOW

Please note: Week 1, Wednesday 15th July is the first lesson of Term 3.

Fees need to be paid by this day.

Please contact the school if you would like to start a payment plan.

NSW PSSA Knockout AFL Team

Last term I went to Holbrook to play in the AFL knockout. We won the first game against Howlong, then we played Thurgoona and we lost. We then played Henty and we lost by 2 goals, so we didn’t make it to the next level but we all enjoyed ourselves.

Staffing Term 3

Thank you to those who were available to attend the meeting to discuss staffing for term 3.

It was a very productive meeting. The openness and problem solving nature of the discussions as a school community has been very valuable.

It has been made clear that retaining current staffing is important to all of us and has the best educational impact on all students.

Considering all opinions, ideas and options – current staffing levels will remain during Term 3 however we may need to be more flexible towards the end of the year.

Again I appreciate and value the discussions and ideas generated from last month.

Aspire Support Services would like to announce the exclusive showing of the Movie X+Y at the Regent Cinemas in Albury on Wednesday the 22\textsuperscript{nd} of July.

X+Y follows Nathan; a teenager with Autism Spectrum Disorder who suddenly has to deal with the death of the one person who understood him; his father.

As he struggles to connect with those around him, he is introduced to an anarchic and unconventional maths teacher who takes him under his wing.

Soon Nathan finds himself selected for the UK Mathematics Squad and, against the odds, representing his country in Taipei. Nathan’s rational brain can cope with the most complex maths problems just fine, the real test comes when he meets his female exchange partner, and has to cope with falling in love; the most irrational thing of all.

This screening of the Movie X+Y is open to the general public to raise the awareness of Autism Spectrum Disorder in our community.

Cost of the movie is $25 which includes a light supper before hand.

Tickets are available from Aspire Support Services offices at 220 Borella Rd, Albury and 4 Footmark Court, Wodonga.

Direct Deposit is also available upon request. For further details contact Sue Pringle on (02) 6058 4000 or email sue.pringle@aspiress.com.au
