Concert
The school concert- Fractured fairy tales, was yet another success. The children did an amazing job with their performing. The mood of the night was that of excitement and fun. The photos of smiling faces and the noise on the night of laughter and fun prove that everyone had a great time. Nights like that are memories that the children remember forever and it’s a special time to share with family and friends.

I appreciate all the help of the P&C to set up and pack up. This again shows how we can all work together for the benefit of the children and the school community.

The night was a total success because we were all together acknowledging and valuing the children’s learning of drama – Thank you.

PSSA Netball
Congratulation to the Walbundrie combined schools PSSA netball team for coming equal 3rd in the state. That’s a wonderful achievement and you should be proud of yourselves. After travelling to Sydney for the finals, the girls were very tired from the long trip but were able to pull off a win in their first final against Iluka Public School 33-27 which was very exciting and rewarding. They then unfortunately went down to Bateau Bay (Central Coast) 35-20 for a place in the Grand Final.

Reminder
Burrrum Bus Service - Altered Bus Route Direction Changes

Starting Term 4 2015

The Burrrum Bus Service will operate anti clockwise (O’Connell first stop)

As stated in recent letter from Burrrum bus service to all bus travel families.
PDHPE Day
We had an interesting and interactive day at Walla Walla. There were lots of different presenters and we were in year level groups with all the other same year children from our network. Each group rotated through 5 different PDHPE activities. Here are some of the children’s responses.

Amelia - I liked the dentist and I also got to cross the road and practise stop, look, listen and think.

Natalie – Yr6 transition was talking about being independent and responsible for ourselves and what to do if you miss a day of school.

Hailey – I really liked the police officer

Jessica – She showed us all the items on her belt and how she can use her baton to break windows.

Samuel – My best session was the cricket because it was fun, we got to bowl and bat.

Jake – My favourite session was cricket because we got to do lots of running around.

Laine – I liked the pet care because they spoke about what to do and say when you see a new dog. I also liked it when the dog put its head on my lap.

Sophie – I liked the dental lady because you had to put the right food into the right spots – healthy or not.

Locky – I enjoyed the police session. I asked the officer if she had been tasered, she hadn’t but she had been pepper sprayed.

Megan – I liked pet care and first aid. I learnt what to do when you meet dogs and when they explained ringing 000. We also got to bandage a ‘pretend’ snake bite.

Emily – I liked the dentist because I got to be the patient and I could put the healthy food in the boxes.

Jayden – I liked the pet care because it taught me about being around dogs.

Ava – I liked the dentist because I had to check Emily’s teeth. I also liked the pet care because they showed us the expressions of animals – like scared or happy.

Hope you all have a happy and safe holiday!!
